

65.000 Votes

Description

We **played** by the rules and we voted,
But **now** we are royally pissed,
Because **some** guy named Jefferson Griffin
Has **put** our names down on his list.

He **thought** he could rig his election
By **concocting** some idiot scheme
Disen**franchising** thousands of voters
By **changing** the rules in midstream.

CHORUS #1: But **you** know, and we know
Dem**ocracy** doesnâ??t work that way.
You **canâ??t** just throw out sixty-five thousand votes
And **thatâ??s** why weâ??re raging today.

Why would **anyone** claim all those voters
Did **something** unlawful or wrong,
When theyâ??ve **all** had the right to be counted
Long before he came along?

Thereâ??s **only** one clear explanation,
And we **see** it as plain as can be,
Heâ??s **part** of the Project called two-oh-two-five
To take **down** our de-moc-racy,

CHORUS #2: But **you** know, and we know
That **Allison Riggs** won fair and square.
You **canâ??t** just throw out sixty-five thousand votes
So you **fascists** had better beware!

Heâ??s a **sore** loser, Jefferson Griffin,
And we **see** through his tricks and his lies.
But we **still** have a Constitution
And weâ??ll **protect** it with all of our lives.

REPEAT CHORUS #1
