### Description

#### 99 Immigrants

*Tune: 99 Bottles of Beer*

99 immigrants try to do right.

99 immigrants try.

Then ICE comes â??round,

takes 10 of â??em down.

89 immigrants try to do right.

89 immigrants try to do right.

89 immigrants try.

But ICE wants more; they grab 24.

65 immigrants try to do right.

65 immigrants try to do right.

65 immigrants try.

But ICE isnâ??t done; they nab 31.

34 immigrants try to do right.

34 immigrants try to do right.

34 immigrants try.

Then ICE is here; we all disappear.
