

A Cup of Chicken Noodle Soup

Description

A Can of Chicken Noodle Soup

Tune:(Turkey in the Straw/Do Your Ears Hang Low?)

Lyrics: Joanie Gould, Piedmont Raging Grannies

Date: 11/13/25

Did you ever think the cost of food would get so high
That the sticker shock in groceries would make you sigh
Costs have **risen** by a third in just the **past** five years
And the **price** of chicken noodle soup brings **you** to tears

CHORUS 1

Food is a given, necessity,
Food is a right, for you and for me,
We can't afford to pay our way
When a can of chicken noodle soup is 2.59! (*Count 2-3-4, 1-2*)

Did you ever think the government would be so mean
As to **cut** SNAP benefits to **kids** already lean and
To **implement** the tariffs that affect the price of food
They no **long-er** care about the common good.

CHORUS 2

Where is the outcry? Who gives a hoot?

Think itâ??s the time to give them the boot?

Looks **like** thereâ??s no relief in sight

When a can of chicken noodle soup is 2.59! (*Count 2-3-4, 1-2*)

Something may be wrong with our society,

When wages havenâ??t risen since 1983.

Do you think perhaps that corporate greed may be to blame

And our country hasnâ??t dealt with this in any way.

CHORUS 3

Wages canâ??t keep up, Who gives a SHHHH (gesture with finger to lips)

He-elp our hungry or let them eat cake

Itâ??s evident that somethingâ??s wrong

When a can of chicken noodle soup is 2.59
