

A Iâ?! A Iâ?! NO!

Description

Old MacDonald had a farm out in Ohio!

a very fine farm until data centers came to train A Iâ!.. **OH NO!**

They guzzled water here!.. and polluted it there.

Soon there wasnâ??t.. e-nough to share.

MacDonald's farm had to shut down!

so Billionaires could make more dough!

That's what A I does you know... it makes billionaires more dough!

An amazinâ?? tool that's beinâ?? misused! A Iâ! A Iâ! OH!

It's used by ICE!.. and the mil-i-ta-ry.

It's used to invade! our privacy!

Instead a boostinâ?? workers physical powers

it's used to cut their hours.

What happened in Ohio could happen here! or an-y-where they go!

Data centers that train A I are less of a friend than a foe!

They'll suck up water and en-er-gy

make power bills soar for you and me!

They radiate heat! **A DESERT NO GO**!..

So, **A Iâ!. A Iâ!. NO!**
