## A Lion Stirs Tonight

In this **na-tion**, this **migh-ty na-tion**, a **Li-on stirs to-night**.

In this **na-tion**, a **mass-ive move-ment op-pos-es the far right!**

(G#) Poli-**ti-i-i-i- shuns** who take **corp'rate funds**

be-**wa-a-are your** ca-reers **are now done!**

**There's** a **pash'nate pro-gress-ive move-ment sweep-in' 'cross** this **land**

**as** those **tired of be-ing robbed** by the **weal-thy take a stand!**

Your **Tee-ee V ads** can't **fool us now!**

We've **see-een through** them and **here's our vow:**

**We'll kick out** all you **corp'rate pup-pets** who've **thrown us 'neath the bus!**

**We'll vote on-ly for** those **who** are a-**ccount-a-ble** to **us.**

**We-e-e are** the new **pro-gress-ives!**

**We-e-e are** no long-**er pass-ive!**

**We-e-e great-ly out-num-ber you!**

(very slow) **Yo-o-or... reign... is... now... clear-ly... through!**

*Sung by some, in the background throughout the entire song:*
