

## A New Way Forward (Big Banks Just Get In the Way)

### Description

We need a new way forward  
Big banks just get in the way!  
Wells Fargo get a clue  
Citibank you've had your day  
JP Morgan's a goner  
We weary of their evil ways  
We're gonna move our money  
Credit unions are one way!

#### Refrain:

Local banks can be so nice  
They don't just want to screw you  
Tell B of A to go to hell  
We'll get by without them swell.

We need a new way forward  
Big banks just get in the way!  
Don't let big banks abuse you  
Move your money out today!
