

AI Friend or Foe?

Description

A I is **not** the **problem** we have **got**.

It's **just** a **tool**! BUT **DON'T** BE **FOOLED!**

A **friend** it's **NOT!**

When **A** is run by **huge** corp-**or-a-tions**

it'll **be** used **to** rob **me** and **you**

for the **wealthy few**.

That's **why** we **must** never put our **trust**

in **data centers**, **cause** they **just**

serve **rich** folks' **lust!**

The **weal-thy few** do **not** need **me** **an** **you**.

They **use** **AI** to **tell** us **lies**

and **spy** on us **too**.

They're **i-in** ca-**hoots** with **ICE** in **big** black **boots**

who **snatch** our **friends**, which **always** **leads**

to **more** a-**buse!**

A-a-ma-zon wants **wa-ter** from **Tucson**.

So they **tricked** our **leaders** into **ND A's**

and **spawned** **TEPAZON!**

te P and **Amazon** **together** will keep **on**

burnin' fossil **fu-els**

until our **wa-ter's** **gone!**

Tucson's **re-esidents** will **see** e-**lec-tric** **bills**

soaring high as our **wells** run **dry!**

A-GAINST OUR PEOPLEâ??S WILL!!!
