

AI & ICE

Description

When government's run! by huge corp-or-a-tions
there's one thing that becomes quite clear!
our freedom's GONE!

The weal-thy few do not need me & you.

They use AI to tell us lies
and spy on us too.

They're i-in ca-hoots with ICE in big black boots
kidnappers who, when resisted
pull guns and shoot!

What we need is a nationwi-ide plan
for a genral strike to make Trump do
what we demand!

Start with dismantling ICE! NOW!!!
