

AI Wonâ??t Save Us!

Description

Whose to blame when A I kills
whether through war or medical bills?
The dead donâ??t care if itâ??s warfare
or pre-da-tory wealthcare!
Either way theyâ??ve lost their lives
so a billionaireâ??s in-vestment thrives!
Donâ??t buy into the wealth-y few
sayinâ?? tech will see us through!
A lâ??s just a-nother way
for those of us in the USA
to close our eyes and just pretend
the fault is an al-go-rith-m!
This is the way we wash our hands
all a-cross our sto-len lands.
But we canâ??t wash a-way the blame.
Weâ??re all stained with shame!

AND AI WONâ??T SAVE US!
