

Ain't No Sunshine Since He's Here

Description

Ain't no sun-shine since Trump's he-e-ere.

On-ly dark-ness ev'-ry da-a-ay.

Ain't no sun-shine since he's here

and it fills our hearts with fear

that he's plan-nin' a long sta-a-ay.

This man stole our e-lec-tio-io-ion.

We can't let him get a-wa-a-ay

with Su-preme Court se-lec-tions

that let big cor-por-a-tions

have all things go-ing their wa-a-ay.

I know, I know, I know, I know, I know, I know, I know...

this seems like a wast-ed thou-ou-ought

'cause our Con-gress has been bou-ou-ght .

But u-nite-ed we are stro-o-ong.

We'll re-sist, block, and de-la-a-ay.

It don't mat-ter ho-ow long

we will fight all of his wrongs

'til this con man's locked a-wa-a-ay!

(Slowly and deliberately)

Come No-vem-ber we'll have our sa-a-ay!
