American Congress

A-mer-ican Con-gress

and the **GEE O PEE-EE-EE...**

You've made a **me-e-ess**

of the **land** of the **free-ee-ee!**

Stop blamin' **your** mistakes on **us**

that just **makes** us **wan'na cuss!**

Let's just **set** a **few** things **straight!**

It's **you** and your **cro-nies** who're **on** the **take!**

Now you **li-is-ten**

to **what** we **sa-ay**

For **each** en-**ti-tle-ment**

we've **had** to **pa-ay!**

You're so **stu-pid** you **just** don't **get**

that's what's **meant** by "en-**ti-tle-ment**"

We pay **mon-ey** for **you** to **hold**

n' **give** back with **in'trest** when **we** get **old!**

It's **you** poli-**ti-i**-shuns

who're **on** the public **do-ole**

and **on** the **si-ide**

you've **sold** your **so-oul!**

cor-po-ra-tions **pay** you **well**

to **drive** this **coun-try** **straight** to **hell!**

when **you** re-tire it **piss-es me**

that **you'll** still **get** tax-pay-er mon-ey!

And **fur**-ther **mo**-ore

ya' **wan**'na cut our **hea**-ealth **care**

to **make** up **fo**-or

your **tax** reform **wea**-ealth **care**.

Well y' **bet**-ter hope **that** the **e**-lite **few**

real-ly **will** take **care** of **you**

cause **we'll** be **kick**-in' your **asses out**

in e-**lec**-tions this **fall**... with-**out** a **doubt**!

loud-> **AMERICAN CONGRESS....** *slow*-> **YOUR... TIME... IS... DO-ONE!**
