

Lyrics by: Granny Evie

Gaggle: SoFlo

Tune: Frère Jacques

Date written or updated:

Are You Listening, FPL

Are you list'ning, Are you list'ning,
FPL? FPL?

We don't want your nukes, no,
We don't want your nukes, so
Hear us well.
Heed us well.

Are you list'ning,
Are you list'ning,
FPL? FPL?

Warning bells are ringing,
Grannies stand here singing:
Save the 'Glades;
Treat them well.
