

Are You Woke?

Description

ARE YOU WOKE? tune: William Tell Overture
Central Florida Raging Grannies
(written by Barbara Mars, edits by Dorothy Cresswell)

Are you WOKE? Are you WOKE? Are you WOKE today?
Do you know? Do you know? What we mean to say?
Do you care? Do you care what's been going on?
Wake up now - Bring a better dawn!

Be aware of the state of the state today -
They're dumbing down our schools!
Tell the jerks though it hurts we will teach the truth,
Our kids will not be fools!

So be WOKE, So be WOKE, So be WOKE today!
Let us all work together, don't delay!
Stay informed, and speak up, don't be silent now
And step up cause we need you now!

Be aware of the state of the state today -
They're dumbing down our schools!
Tell the jerks though it hurts we will teach the truth,
Our kids will not be fools!

So be Woke, So be Woke, So be Woke today -
Be awake, stay awake what we mean to say.
If we all stay aware of what's going on
Then together we'll all be strong!

Hi Ho, speak out today!!!
