

[Bad Politician Name here] The Knife

Description

Brackets indicate where another politician's name might be added

Oh our welfareânow is workfare
Single mothersâcry and hide
Itâs so hard forâthem to work dear
With their toddlersâat their side
2) when the cheque comesâitâs been cut, dear
and the food bankâfights for life
Someoneâs sneakingâround the corner
Is that someoneâ[Mike] the Knife?
3) Educationâis a right, dear,
Until [Harris]âshows his might
Cuts the contractâforces teachers
To leave classroomsâgo on strike
4) What to do nowâis it too late?
People sufferingâin despair
Letâs take actionâLetâs start marching
The Knife, [Mike] âBEWARE!
