

Bail Out the People!

Description

Bail out the people
And give them the money they need.
To hell with the bankers
Who suffer from terminal greed.
Bail out the people,
That's where our tax dollars should go.
We say no bailouts to bankers,
Or the big three's CEOs.

Hey, have you noticed,
That fascism seems to have come?
The poor, they go hungry,
While we bail out the corporate scum.
They take our tax money
And send all our jobs overseas.
We're losing our health care and homes now,
While the rich do as they please.

Layoffs are rising
And more folks are now unemployed.
Whatever happened
To the land of the free we enjoyed?
It's time for the people
To rise up and now take a stand!
Let's get out and bail out the people,
Then we'll shout it: "Yes, we can!"
(Yes, get out and bail out the people,
Then we'll shout it: "Yes, we can!")
