

## Barbie Song

### Description

Barbie is dressed like a princess  
She is the top of the line

Her tits and ass have got real class

At forty-nine, ninety-nine

And you can bet

She was made of sweat!

v2 Workers in China made Barbie

They earned 25 cents an hour

Many of them were still children

And that's what makes us sour

Because you can bet

She was made of sweat.

3) Her costume comes from India

Her minivan from Bombay

Wherever labour is cheapest

That's where companies go to pay.

And you can bet

She was made of sweat.

4) So please take a look at the label

When you go into a store

If it was made by children

Don't shop there anymore

Because you can bet

They paid with their sweat.
