

Battle Hymn of the Donald

Description

Mine eyes have seen the crime-ing
and the sliming of the Trump
He lost sight of all decency,
his head is up his rump
And with his team of crooks and liars,
sycophants and chumps
The fraud is marching on

His lawyers are on speed dial
and theyâ??re working overtime
to fight off all the lawsuits
and the scandals and the crime
He tries to shake off Epstein
but he canâ??t shake off the slime
The cover-ups pile on

Lordy! Lordy! How heâ??ll screw ya!
With his lies heâ??ll try to fool ya
But, donâ??t ever let him rule ya!
No, we will not back down!

Mine ears have heard the smearing
and the slander from the right
defiling truth and honesty
and substituting spite
inventing Trumped-up charges
nabbing people day and night
The hate is marching on

Iâ??ve seen them cut the taxes
for the richest billionaires
While stealing from the working class
and causing great despair
And now polluters have their way
with all our land and air
Their wreckage will live on

Lordy! Lordy! How they screw ya!
With their lies they try to fool ya
But, donâ??t ever let â??em rule ya!
No, we will not back down!
