

Beneath The Nuclear Umbrella

Description

This is the initial song which launched the original Raging Granny Group in Victoria, British Columbia, Canada. It was sung to Member of Parliament, Pat Crofton, in January, 1987. (Canada has a Parliament, rather than a Congress). The song is still applicable, both sides of the border). Do we have to note it is sarcastic?

Beneath the nuclear umbrella
Weâ??re as safe as we can be.
Obamaâ??s such a pleasant fella {Initially Reagan}
Heâ??ll look out for you and me
We donâ??t have to think about it
Our defense has been assured
What would we all do without it?
Donâ??t it make you feel secure?
WITHOUT A SHIRT!
