

Bicycle Song

Description

Daisy, Daisy, bicycling's good for you!
Hummers are crazy! Cars spew out CO2.
For every mile we don't drive,
We help to make our Earth thrive.
So take a hike, or ride a bike!
The environment will love you!

Don't you wish that we had commuter trains?
Proper bike paths, or at least a few cycle lanes?
Oh, who needs a great big Hummer?
We can't think of anything dumber!
We'd clean the air, have dough to spare,
If ONLY we'd use our brains!
