G   D   G   G   D   G   G   D   G   G   D   G

Big, mean ICE, Big, mean ICE, Not very nice, not very nice

G            D            G

They spend forty billion in tax dollars

D            G

To grab our friends by their shirt collars

D            G

Did you ever see so much meanness before?

G   D   G   G   D   G

As not very nice, Big, mean ICE

Big, mean ICE, big, mean ICE, Not very nice, not very nice

They get away with whatever they please

Erasing our friends with a grappling squeeze

Did you ever see so much meanness before?

As not very nice, big, mean ICE

Big, mean ICE, big, mean ICE, Not very nice, not very nice

Ten thousand agents in face-cover masks

Sending our friends to the torture racks

Did you ever see so much meanness before?

As not very nice, big, mean ICE
