

## Black Lives Matter

### Description

Freedom, justice for us all  
That's our call, standing tall  
Black lives matter!

Human rights for everyone,  
Every daughter, every son  
Black lives matter!

We condemn all race discrimination  
It's an ugly stain upon our nation

We need safety in our homes,  
where we drive, walk, or run.  
Black lives matter!

All the killing has to stop,  
Prosecute killer cops  
Black lives matter!

Fund the schools instead of jails  
help us thrive, win not fail  
Black lives matter

Put an end to mass incarceration  
Now the people call for reparations

No one is expendable  
Everyone's valuable  
Black lives matter!
