

Bondi, Bondi

Description

Bondi Bondi

What is it that you know?

Files redacted

All for the love of dough

Herr Trump must be your master

He tells you what to think

So you obey

Your masters wish

But everyone knows you stink!

Liar liar

Defiantly disagree

Don't answer questions

And think that we don't see

You are just a puppet

Who does Trump's dirty work

You lie and preen

But you are seen

As an absolute piece of work

AG Bondi

Oh what a legal mind

Smug and certain

The truth we will never find

You flip your hair and fidget

Your IQ's a single digit

But you'll look swell

In a padded cell

With a smart orange jumpsuit

Bondi Bondi

Won't you please turn around

Face the victims

Whose lives have been so brought down

But not an ounce of caring

Just dark eyelashes staring

You're a fake

A legal flake

In your own deceit you'll drown
