

## Bye Bye DC Crew

### Description

Pack up all your cares and woes  
AG Bondi's got to go  
Bye Bye Bondi  
Said goodbye to Kristi Noem  
Sent her to her broken home  
Bye Bye Noem

Tulsi Gabbard isn't well connected  
Her number's up  
That won't be unexpected  
Susie Wiles is making noise  
She can't hang with all the boys  
DC Crew Bye Bye

Pack up all your underpants  
Bye to Trump and Shady Vance  
Bye Bye DC Crew  
Bobby Brainworms may be next  
Kash Patel cashed his last checks  
Bye Bye DC Crew

Goodbye to all the fascists  
And the traitors  
We'll see you in the lock up  
With the gators  
Hegseth will be running scared  
That warmonger is not prepared  
DC Crew Bye Bye

Pack up all your sycophants  
Especially Miller and Shady Vance  
Bye Bye DC Crew  
And Lil' Marco don'tcha know  
We really want them all to go  
Bye Bye DC Crew

None of what we see here now is normal  
That's why all our goodbyes are informal  
Trump's a stain upon our land  
Let's get all these losers canned  
DC Crew Bye Bye  
DC Crew Bye Bye
