

Bye Bye Fascist

Description

BYE BYE FASCIST

Pack your office

Donâ??t pass Go

You used DOGE

Stooped so low

Bye, bye, fascist

Cutting pensions

What a hoax

Honest folks

Going broke

Bye, bye, fascist

You can shove your oligarchy system

Grannies (pause) are never going to give in

No one wins

A tariff war

Quit before

We END up poor

Fascist, bye bye!

Heil salutes

On my TV

You decree

You DIDNâ??t mean

Bye, bye, fascist

You axed healthcare

For the poor

More and more

Canâ??t afford

Bye, bye, fascist

Canada would never want to be you

Sayonaraâ?! aloha and see you!

Theyâ??ll (weâ??ll) take their (our)

Goods to EU

While you woo

Putin o-ooo

Fascist, bye, bye
