

## Bye Bye Hatred

### Description

Gender freedom must prevail  
for us all, without fail  
Bye-bye hatred!

Gender can be changeable  
Still weâ??re all loveable  
Bye-bye hatred!

We respect all styles and variations  
In this world thereâ??s room for all creation

Be your sexuality  
Itâ??s not all binary  
Hatred, bye bye!

Straight or gay or trans or bi,  
no one shall question why  
Bye-bye hatred!

Who we are on the inside  
Each of us shall decide  
Bye-bye hatred!

We condemn all sex discrimination  
queerness is a call for celebration

Marching for equality,  
liberty, dignity  
Hatred, bye bye!
