

## CAPITALISM IS NOT WHAT YOU THINK!

### Description

**Capital** is **just** word that **simply** means **money**.

So, **capitalism** is an **i-deolo-gy**

in **which** those who are **wealthy**. (pause) **always** get their **way**.

It **lets** the rich get **richer** and the **rest** of us must **pay!**

**Social**, on the **other** hand, is **based** on old **Latin**.

And **guess** what that word **means**. (pause) **it** simply means **friend**.

So, **socialism** is an **i-deolo-gy**

with a **goal** of everyone being **treated** equally!

**That's** why we now **find** ourselves in the **mess** we're in.

**Fooled** into **thinkin'** capitalism is our **friend**,

and **even** led to **think** that **it's** **democracy**,

**although** the **two** have **zero** **com-pat-i-bil-i-ty!**

**Socialism** is the way that **we** can remain **free**.

If **we** want to **achieve** and **sustain** **democracy**,

**it** must start in **workplaces** all **o-ver** this **country**.

**Workers** must **become** the owners **of** their **companies**.
