

Capitalist Cronies

Description

Capitalist cronies
Are not our BFFs

Donâ??t want us to be free

Make deals like TPP

Thatâ??s Trans-Pacific

Partnership, to be clear

The jobs that we have here

Weâ??ll have no more.

Clean air and water

Will soon be luxuries

Farewell to workersâ?? rights

In TP Paradise

Thatâ??s Toilet Paper

Revving up climate change

Our world theyâ??ll rearrange

Once unconstrained.

We are the NNP

Thatâ??s Ninety Nine Percent

We must make a choice

Letâ??s generate some noise

For human beings

And the environment

Letâ??s show the one percent

The exit door!
