

ENOUGH!

Description

Grannies are raginâ?? aginâ??

.

Democracy we will defend

for our fam-i-lies and friends.

Grannies are raginâ?? a-ginâ??

.

None of this is really news.

Some use power to a-buse.

They think that weâ??re tak-inâ?? a snoose.

But this makes us blow a fuse !!!

We wonâ??t quake a-lone in fright.

Weâ??ll stand with others, show our might.

We know theyâ??re wrong and we will fight.

We can make the fu-ture bright.

Let us mention one more thing

we ne-ver voted for a king!

Our foun-ders ran from such a thing!

Power should not e-qual BLING!

Riches do not make good rule!

Try readinâ?? and goinâ?? to school!

e-nough of all these fat cat fools!

Itâ??s de-moc-ra-cy thatâ??s cool!

For this coun-try we all care.

We wonâ??t cave in to despair!

Laws are sâ??pposed to make things fair

not make us pull out our hair!

Those before us paved the way.

Facinâ?? struggles night and day

they fought cor-rup-tion come what may.

On their shoulders we will say:

NO KINGS ~ NO BILLIONAIRE DICTATORS ~ ENOUGH ~ YA BASTA !
