

Traditional Medicare Ain't What She Used to Be

Description

Tradishnal Medicare ain't what she used to be.

Every C M S decree cuts her fundin' more, you see.

If people keep votin' in corp'ate funded candidates

it's curtains for seniors like us!

Trump and Biden appoin-tees

have brought Medi-care to her knees!

Don't let 'em finish her off, pretty, pretty please!

DON'T CORP'A-TIZE MEDI-CARE!

Where are old folks like us sup-posed to go

when we end up short of dough and we hurt from head to toe?

For dec-ades, they've been mur-dering our Med-icare,

re-plac-ing it with A C Os!

Advantage plans and A C Os

are Med'icare's big'est foes!

A C O-Reach is REACHin' in our pock'ets.

And it's â' REACHED a brand new low!

A C O REACH. That is what they call their plan.

It is just an-oth-er scam, just a 'slam-bam-thank-you-ma'am!â'•

forcing evâ??ry se-nior in-to a corpâ??rate plan
run by pro-fi-teers.

Evâ??ryone up in years

shares the same old fears.

When weâ??re MOST in need of our Med-icare

IT WILL NOT BE THERE!

-
You may think that youâ??re a young and health-y cuss.

Why should you feel that you must help some old farts make a fuss?

Keep in mind some day youâ??ll be join-inâ?? us

here be-neath that bus!

One thing we know for sure!

Med-icare For All is the cure!

In-stead of greeâ??dy for-profit comâ??pan-ies,

we need single payer now!

DEMAND EVERY CANDIDATE VOTE FOR IT!!!
