

Christmas Stress- Explanatory Carol

Description

What is the source of Christmas stress? Why must things be this way?

It's from the media, modeling

Illusory enobling

That we must get it right

No room for Christmas blight

Till your nerves and my nerves

Are strung too tight!

V2 No more let Christmas stress abound

Nor sorrow fill the air

We do the best we can

A holiday to plan

We are not Christmas ads

Not catalogue Moms & Dads

Flawed, often foolish

We make our way

3) Then let true happiness abound

As TV specials say

If they are right that family

(Not gifts for all humanity)

Is the best gift of all

Then we can skip the mall

Comforted by peace that will

Around us fall
