

CIA Hideaway

Description

CIA HIDEAWAY (Tune: â??Hernandoâ??s Hideaway â?•)

There is a dark secluded place
A place you vanish with no trace
identity they will erase
Itâ??s run....by the American CIA! (CIA?)

They bug your phone and TV set
they monitor you on the internet
and though youâ??ve nothing to regret
youâ??re surveilled by the CIA.... (Oy vey!)

(Interlude)

(kazoos): Da da, da da, da da, da da da da da da
To mid-east dictatorships that you donâ??t even know
(kazoos): Da da, da da, da da, da da da da da da
Seven-thirty-sevens take you where youâ??ll undergo
(kazoos): La la, La la, la la, la la la la la la
imprisonment, privation, torture and much woe
you wonâ??t be free...
to disagree
or cop a ple-ea.... (slow)

Our government says â??Way to go!â?•
Weâ??ll find out everything you know
Youâ??ll be black and blue from head to toe
And no one will blame the CIA! (No way!)

So always check your TV set
donâ??t give them reason to suspect
email in code or youâ??ll regret
Youâ??re fin-gered by the CIA! (Ole!)
