

D-E-M-O-C-R-A-C-Y 2025

Description

*Newly Revised Lyrics for No Kings Day
by Vicki Ryder (2025)*

Once **old** King George ruled us from **England**,
With **tarrifs** and taxes on **tea**;
But the **people** stood up and **resisted**
And **dumped** his tea into the **sea**.

Now **thereâ??s** a new king in the **White** House,
And **he** doesnâ??t care what we **say**;
But **we** have some news for our **president**:
Monarchyâ??s simply passÃ©!

CHORUS 1:

When-ever **tyrants** reign
And **try** to ignore their **constituents**,
Theyâ??ll learn, **by** George,
The **power** of our **influence**.

They **think** they can stifle our **freedoms**,
And **think** theyâ??re above the **law**,
But no **matter** how crooked or **wealthy**,
They **canâ??t** shout â??youâ??re firedâ??• no **more**.

We **still** have a tripartite **system**;
Checks and **balances** still on the **books**;
So we **still** have a say in what **matters**,
And weâ??re **tired** of liars and **crooks**.

CHORUS 2:

Weâ??ll resist with **all** our might!
The **power** belongs to the **people**, we cry!
Weâ??ll spell it **out** for them now:
D-E-M-O-C-R-A-C-Y!

We **still** have the right to speak **freely**,
And they **canâ??t** take that freedom from **us**;
Our **right** to dissent we hold **sacred**,
And we **wonâ??t** be thrown under the **bus**.

Were gonna take back our **power**,
Cause the **First** Amendment still **stands**.
The **power** belongs to the **people**,
And **united** in power we **stand!**
