

Do You Hear The Women Sing?

Description

Do you **hear** the women **sing**?
We who will **not** be fooled **again**?
The old will **join** hands with the **young** in standing **for** the country's **pain**!
When the **whistles** blow so **shrill**
Protester **drums** will not be **still**
Truth will **finally** rule the **day** now the **time** has **come**!

They cannot **take** our voting **rights**!
Cannot **take** our neighbor's **wife**!
Cannot **cancel** who we **love**!
Cannot **erase** our very **life**!
They **cannot ignore** all our **voices** joined **up** in this **strife**!

Our constitution will be **restored**
And their **police** state will **dissolve**
Cruel **tyranny** will not **stand** up to the **people's** firm **resolve**
When we **stand** together to **sing**
Once **again** will Freedom **ring**
Truth will **finally** rule the **day** now the **time** has **come**!

Candled **vigils** light the **sky**
For stolen **lives** and immigrant **hands**
Mothers **of** the earth cry **out**
To **restore** their stolen **lands**
Raise your **voices** to **make** sure they **hear** and that **they** understand!

Do you **hear** the women **sing**?
We who will **not** be fooled **again**?
The old will **join** hands with the **young** in standing **for** the country's **pain**!
When the **whistles** blow so **shrill**
Protester **drums** will not be **still**
Truth will **finally** rule the **day** now the **time** has **come**!
