

DOGE Has Gutted the Government

Description

DOGE has gutted the gov-ern-ment.
People's lives have been changed.
Judges, attorneys, and diplomats
Got the ax and might never come back,
Because if you refuse to be loyal
But stand up for what you believe,
You'll soon find / Trump / will erase you
And then /you're /gone!

Trump's eroding our culture .
Our Constitution's going too.
Unless we the people keep fighting back,
Democracy's future is way off track.
Everything our grandparents fought for
Could go right down the tube â?|
Unless YOU and YOU and YOU
Step up and stand up for truth!
