

Donald Donâ??t Know Much

Description

Donâ??t know much about democracy
Donâ??t know much diplomacy
Donâ??t know much about leadership
Not a clue about statesmanship

But I do know that Iâ??m the king
Iâ??m the greatest king the world has seen
What a wonderful world just for me

Donâ??t know much about honesty
Donâ??t know much about modesty
Donâ??t know much about the bribes I took
I have people who can cook the books

But I do love to scam and grift
and Iâ??ll take a billion dollar gift
What a wonderful world just for me

Now I donâ??t claim to care about people
No one counts but me
Because caring is only for suckers and losers
Winning is the life for me

Donâ??t know much about human rights
Donâ??t know much about civil rights
Donâ??t know much about dignity
Donâ??t know much about equality

But I do need to have control
and my tyranny is on a roll
What a wonderful world just for me
