

## Don't Play It Again, Uncle Sam!

### Description

You must remember this.

Big money always twists

how folks behave and think.

Empathy and conscience shrink

making politics stink!

It's still the same old story

of e-gos seeking glory

as long as all the cost

is just the working class's loss

and not the boss.

Billionaires will pay enormous sums to buy

candidates who'll lie to folks like you and I.

They don't really care, so long as they can boast

that they have hoarded the most!

But we can change this mess.

Kick out all Big Biz-ness.

Vote just for candidates

funded by folks like me and you

and **NOT** the wealthy few!

Donâ??t vote for anyone

big corporations fund

â??cause they are the problem.

Save us and save the planet, too

**VOTE OUT THE WEALTHY FEW!**

**OPPOSE ALL CORPORATE-FUNDED POLITICIANS!**
