

Draw the Line

Description

Chorus: (Audience Participation)

We draw the line â?? for the justice we deserve
We draw the line â?? for the planet we must serve
The right to speak, to live, to just be free
We draw the line â?? for democracy

We see the black smoke rise up in the sky,
The seas are climbing and the fields run dry.
We wonâ??t stand back while they pretend itâ??s fineâ??
For Earth and truth, we draw the line.

Chorus

The clock is ticking past the one-point-five,
The smoke is thick/ but we are still alive.
They say â??be patient,â?• while the people fryâ??
We wonâ??t back down, and we wonâ??t lie.

Chorus

The floods are rising, fireâ??s in the trees,
The oceans choke while they deny with ease.
Theyâ??d sell the air we breathe to make a dime
But truth wonâ??t bend, we draw the line.

Chorus

We draw the line â?? for the justice we deserve
We draw the line â?? for the planet we must serve
The right to speak, to live, to just be free
We draw the line â?? for democracy

The ballot box is guarded now by fear,
But peopleâ??s power is still loud and clear.
They try to choke the voices, twist the signsâ??
But truth still walks, we draw the line.

Chorus

We draw the line â?? for the justice we deserve
We draw the line â?? for the planet we must serve

The right to speak, to live, to just be free
We draw the line â?? for democracy

(Slower) We draw the line â?? for democracy
