

Drifting Along With A Half-Witted Government (Harper Prorogues Parliament)

Description

See it tumbling down
Dashing our bills to the ground
Nowhere our M.P.'s are found
Drifting along with a half-witted government
Paid, without doing the work
I couldn't do what these jerks
Do, without losing their perks
Drifting along with a half-witted government

I know we don't need them
Drawing closer, that day when
We'll have another P.M.
Someone who listens and then
No more of these losers again
Drifting along with a half-witted government!
