

DUMP TEP!

Description

Du-ump TEP!

It's ba-ad for you and me.

It sucks up our money and our water too!

TEP, we're done with you!

Du-ump TEP

with a-all its secrecy!

its in cahoots with Beale for project blue

to shove the cost onto me and you!

Replace TEP

with solar energy!

TEP pursues a fossil fuel creed

when renewables are what we need!

Du-ump TEP!

For our elec-tri-ci-ty

Let's get rid of all that corp-rate greed!

Public Power is what we need!
