

Lyrics by: Nora Freeman

Gaggle: NYC Metro

Tune: This Little Light of Mine

Date written or updated:

Enhanced Interrogation

Sensory overload
Extremes of heat and cold
Sleep deprivation
Prolonged isolation
Stress and duress
What a bloody mess
We must investigate war crimes.

Enhanced interrogation
Cheney told the nation
But it's torture under
Real adjudication
It's a crime in every land
So here is our demand
We must prosecute war crimes
Investigate, prosecute Bush war crimes!!!
