## **Everybody's Land - Gaza Song**

### EVERYBODY'S LAND

1) Overseas there is a land  
That is ancient and it stands  
Even though through history it's been pulled down  
Every nation's had its turn  
Build it up or let it burn  
Gaza Strip has been the goal of many plans

### CHORUS

Gaza Strip it needs our help now  
Beseiged, without, within, it cries  
To the nations all around  
Watching this historic ground  
Let us sort out truth and see where justice lies

2) Richard, Lionhearted man, Bonaparte, Napoleon  
The Knights Templar, the Crusades and Saladin  
Egypt, England, Greece and Rome,  
Turkey too, They called it home;  
Gaza's through the years been everybody's land

### CHORUS

3) Now we've come at last to this  
All the killing's not been missed  
It is time to stop the fight forever more  
Gaza's everybody's land  
Stories, history, every hand  
Raised like Rachel's to demand an open door!

### CHORUS

4) Churches, Mosques and Temples too  
All give voice to such a view  
Gaza's past means such a lot to me and you  
Just the artifacts alone  
Say it is the world's long home  
Venerate, sort and protect - what we must do!
