

## Fascism Then & Now

### Description

How did the U-nit-ed States?! get to?! this place?

How is it that we now live?! in a fascist state?

The percent of our e-con-o-my

for the av??rage em-ploy-ee

is now a-bout the same as in

**NINETEEN THIRTY THREE!**

Compared to an employer

An em-ployee??s income

is now the same as it was in?!

**THE Great De-pres-sion!**

Poli-ti-cians always say?! our e-con-o-my?! is OK.

What they mean is the fattest cats?! have ev??ry-thing their way!

For Billionaires who play

stock mar-kets ev??ry day

the econ-o-my is just, dandy!

To hell with you and me!

When folks are in dire straits

it leads to fas-cis-m

â??cause theyâ??re desp??rate for a change

despite where it comes from!

The sit??uation we have now?! is like?! it was when

Hitler won e-lec-tions in?! Germany back then.

The diff-rence-es today  
is now itâ??s the USA  
and â??stead of Hitler, what we have  
is an or-ange horseâ??es A !

**SAVE THE USA! CONVICT TRUMP & HIS THUGS!**
