

Fascists

Description

Roll out the fascists.
Whadda ya think we saw?
A trashed U.S. Capital
No-o respect for the law!

A fake, bloated leader,
So skilled at tweeting his lies.
He promised whitey the wo-orld,
Now weâ??re fried!

Roll out the fascists.
Whadda ya think we see?
Folks in step with their leader,
A Mussolini wan-a-be.

Roll out the fascists.
Whadda ya think we see?
Our Congress stuffed with Trumpites.
To HELL with democracy!
