

PRIOR AUTH PARADOX

Description

verse 1 Right here in the USA
 folks are now used to the way
 prior auths deny and delay
 medical treatments ev'ry day...
 And yet no prior auth has been sought
 for the deadly bombs we drop!

verse 2 So, ya' won't need an auth if ya' just wan'na KILL!
 But if you wan'na SAVE lives then you will!
 Gotta make sure it won't interfere
 with the profits of the in-sur-er!
 Thanks to all the corp'rate greed,
slow-> Profits over people is now our Nash'nal Creed!

END THIS CORPORATE TYRANNY... NOW!!!
