

Our Country Is Really Sick!

Description

Our country is really sick

and **we** must **now** heal it.

There is **just** one **thing** that **will...**

and **It** is **not** a **pill**.

A **big** strike here.... a **boycott** there... a **mass...ive** **gen'ral** strike **ev'rywhere**

The **only thing** that'll **cure** our **ills....** is **attackin'** the **corp'rate till!**

Plannin' to **vote** this **Congress out**

will **be** too **little, too late!**

And **it** don't **matter** how **loud** we **shout!**

Waitin' will **seal** our **fate!**

With **voter** purgin' **here** and **gerrymand'rin'** **there...** de-fund-in' **gov-ernment ev'rywhere!**

We must take **BIG ACTION NOW... BE-FORE IT'S TOO LATE!**

There's **one** thing **Billionaires** care 'bout

profit, profit, profit!

Protests and pe-ti-tions don't **count!**

Just **profit, profit, profit!**

The **way** to **get...** their attention **is...** to shut **down...** all **BIG BIZ!**

We need to do it, and do it now... It's the only way to stop it!
