

Ode to Palantir & Project Blue

Description

Oh **Palantir** we **know** you're here
That is why we **have** no fear.
Your **AI** is now **ev'**rywhere
providing all with **tender** care.
One **only** has to **look** at ICE
to **see** how you can **be** so nice!
You **save** folks from all **of** the mess
of **dealing** with all **due** process!
We **know** we can **rely** on you
'cause **you** helped Netany**ahu** to
create the perfect **killing** list
to **keep** Gaza in **his** iron fist!
Your **hard** work for the **CIA**
let's **our** great country **get** away
with **starting** wa-ars **planet**-wide
while **selling** weapons **to** each side.
Now **Project Blue** has **ties** with you
and **really** likes our **desert** view.
But **we** know you will **understand**
when **we** tell you "**GET OFF OUR LAND!!!**"
We **want** our conscience **to** be clear,
and **all** our water **to** stay here!

So, **you** can take your **blood** money!

and **put it where it's not sunny!**
