

## FOR OUR GRANDCHILDREN'S SAKE (anti-nuke)

### Description

Our nuclear weapons are sealing our fate  
There's no place to hide,  
there's no place that's safe  
And we know that all life on earth is at stake  
So we say NO NUKES!  
for our grandchildren's sake

With hazardous radioactive pollution  
for nuclear waste, there is no solution  
and LANL keeps failing to clean their mess up  
So that's why we say, STOP making this stuff!

As people are suffering in desperate straits,  
you're building more bombs  
and inciting more hate  
What kind of a world do you want to create?!  
So we say NO NUKES!  
for our grandchildren's sake  
Oh, for our grandchildren's sake!
