

Foreclosure

Description

FORECLOSURE

We **once had a home**
Where our family could come
To laugh and to cry and to play,
But along came the crash,
We were left without cash,
And our home was taken away.

REFRAIN

Taken away! Our home was taken away.
We **CAN** be bailed out
Cause we **don**t have the clout
To get **CON**gress to hear what we say.

The **rich have their jets,**
And they hedge all their bets,
And THEY never WILL see the day
When they're down on their luck
And have lost their last buck
And their HOMES are taken away.

REFRAIN

Taken away, their homes **won**'t be taken away.
They **will** all be bailed out
Cuz they **ve GOT** lots of clout
And **CON**gress will hear what they say.

Now **most of us know**
When the rich run the show
The POOR are the first ones to pay.
But it NEVER stops there,
So we'd all better care
Or we ALL will be singing someday:

REFRAIN

Taken away! Our homes have been taken away.
We can **PAY** for some war
That we **didn**'t vote for,
But our homes have been taken away.
