

Gaggle of Grannies

Description

Oh, we're just a gaggle of grannies
Urging you off of your fannies.
We're telling you boys, we're sick of your toys.
No more war.

We know that it's hard for you Harper
But we think you oughta get sharper,
We're telling you, please,
We want a little peace
No more war.

We're sick of NATO and NAFTA,
Fed up with nuclear tests.
We're tired of guns and violence.
Why don't you give 'em a rest.

Oh, we may be a gaggle of grannies,
But we've gotten off of our, fannies.
We're telling you now we're angry and how!
No more war – we really mean it.
No more war – we'll say it nicely.
No more war – we mean precisely
No more war!
