

## Gandhi and Grannies

### Description

We are all students of Mahatma Gandhi  
Refusing violence but standing strong  
It's peace and justice we are demanding  
We will not rest till oppression's gone  
2) the other side, dear, has lots of money  
Thinks that possessions, can rule the sphere  
They'll find that grannies, steadfast and loving,  
Know that ALL people are precious here.  
3) Mahatmas Gandhi, chose simple living  
Resisting despots by peaceful means  
The Raging Grannies, are humbly giving  
Advice on saving, all earthly beings  
4) Don't think that we are, inconsequential  
If we look silly, and make you smile  
Our intercession is providential  
Gandhi and grannies fight pow'r that's vile  
5) So in your dealings, in what you're wearing  
Resist the urge to, one-up the rest  
Remember there is, one earth we're sharing  
Working together, we're ALL the best.
